

Certificate

We hereby certify that following Soldering Stations / Irons

WS 51 / PU 51, WS81 / PU 81, WSD 81 / PUD 81 / WSL
WSD 151 / PUD 151, WSD 161 / PUD 161 / WSL2
WDD 81V, WDD 161V
WMD 1 Rework Station
WMD 3 Rework Station

With connectable tools:

MLR21, LR21, WTA50, WMP, WSP80, LR82, WSP150
DS80, DSX80
HAP1

Kept the specified requirements:

Tip to ground resistance less than 2 Ohm.

Potential tip to ground less than 2 mV TRMS.

EMC electromagnetic compatibility according to
DIN EN (IEC) 55014-1 [Emission] and
DIN EN (IEC) 55014-2 [Immunity]

Besigheim, November 19, 2002

A handwritten signature in black ink, appearing to read 'R. Starker'.

i. A. R. Starker
