

DECLARATION

The technical data and measurements are created
to the best of our actual knowledge

Type of Unit:	filter
Denotation:	Compact filter for WFE 2S/Zero Smog 4V
Part number:	T0058735959 T0058735936 spare part no.
Filtersurface:	1,70 m ²
difference pressure:	1125 Pa
airflow:	230 m ³ /h
measured according to EN 1822 from Labor Blankenburg D-47506 Neukirchen	

HEPA filter technical data

HEPA filter classification:	H13
deposition performance according to EN 1822:	>99,955 % in MPPS(0,18µm) >99,994 % at particlesize 0,3µm
temperature resistance:	max. +80°C
relative atmospheric humidity:	100 %
