

LIMITED WARRANTY (EN)

UTICA TORQUE PRODUCTS TT Series Torque Limiting Screwdrivers

Utica torque products are warranted, by Apex Tool Group, LLC, for one (1) year from date of purchase to be free from any defects in material or workmanship. Factory Calibration is warranted, by Apex Tool Group, LLC, for 90 days from date of purchase. This warranty does not extend to any product which has been altered or abused.

Any product failing to conform with this warranty should be returned to Apex Tool Group, LLC. If inspection reveals that the product does not conform with this warranty, the product will be repaired or replaced, at the option of Apex Tool Group, LLC, without charge within 10 days of receipt of the product.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

CERTIFICATION

The TT-1 torque screwdriver is certified to have been calibrated, prior to shipment by the manufacturer, in accordance with the following specifications in the right hand direction.

- 5 in. oz. Range of 4.70 to 5.30
- 12 in. oz. Range of 11.28 to 12.72
- 20 in. oz. Range of 18.80 to 21.20

The TT-SN-1 preset screwdriver is calibrated to an accuracy of $\pm 6\%$ of desired setting.

All standards used in the calibration of this screwdriver are at least four times as accurate as the screwdriver, and the standards are traceable to the National Institute of Standards & Technology (NIST).
